WHAT IS LAND USE PLANNING?

The Canadian Institute of Planners defines land use planning as the scientific, aesthetic and orderly disposition of land, resources, facilities and services with a view to securing the physical, economic and social efficiency, health and well-being of urban and rural communities.

**WANT TO LEARN MORE..?
READ ON!!!**

Because Land Use Planning was so popular in the questionnaire collected from the first Housing Form. OLH has decided to host a series of weekly 'Fireside Chats' on the Issue, for about an hour each session.
