

OKANAGAN INDIAN BAND

The Okanagan Indian Band's Operations, Lands & Housing Division is initiating a "Request for Qualifications" (RFQ) related to:

- heavy equipment operators;
- owners of heavy equipment ;
- general laborers; and
- certified flaggers

that are interested and qualified to work on any upcoming Capital Improvements.

This RFQ will provide a working schedule of the available equipment and labour/contract capacity meeting the current industry standard.

A resume detailing the type of heavy equipment, qualifications, references and copies of current certifications are an asset.
