## **Wildland Fire - K51214 (La Casa Fire) is actively being monitored**

Way' Members,

Please be advised that a wildland fire has been discovered near La Casa Resort on Westside Road. At this time the fire is approximately 1 Hectre in size and is believed to have started due to a lightning strike. Okanagan Indian Band's Emergency Response Team members are actively monitoring this fire for changes at this time.

More information on this fire can be found at [BC Wildfire's Webpage](#) and on the [Central Okanagan Regional District's Emergency Management Webpage](#).

At this time, the fire is not threatening OKIB however, this is a great time to check the readiness of your household and family. Emergency Preparedness BC has many great resources on how to create a 'grab-and-go-bag', plan for emergency readiness and more: [Emergency Preparedness BC Resources](#).

OKIB Staff will continue to monitor the fire for changes over the weekend and provide additional updates as new information becomes available.
